

SM20 - Maintenance Pad

Collection: Maintenance Spill Range

Range: Spill Control

Materials: Meltblown Polypropylene

Inner Pack: 100

: 2

Outer Carton: 1

Product information

These pads have open edges for quick wicking. High strength spun bound cover stocks prevent lint sticking to machine parts and hold the pads together even when saturated. Each pad absorbs 0.5 litres.

Maintenance Spill Range

These products are grey in colour and will absorb all kinds of industrial liquids including oil based and water based spills. Ideal for use in industrial situations where many different liquids are present at the same time.

Spill Control

Introducing a large range of spill control products that efficiently manage any industrial liquid hazard. These products are now needed to comply with health and safety regulations and are your first line of defence against a variety of spills.

Standards

BS 7959-1

BS 7959-3

Features

- 50cm x 40cm
- Absorbs 0.5 litres
